The Tangipahoa Parish Convention and Visitors Bureau's Visitors Center has a long and proud tradition of being the first stop travelers make when they arrive in Tangipahoa Parish. We are open seven days a week to provide information and guidance to help our guests enjoy their stay in Tangipahoa Parish.

As part of the statewide plan for social distancing, our Visitors Center will be closed until we receive word it is safe to re-open.

While we are sad to make this announcement, we are also proud to be part of the solution to help prevent the spread of COVID-19.

During this time, our staff will be here to continue to work closely with state and local officials as well as our local tourism partners. You can still contact our office by calling 985-542-7520 or emailing us at submit@tangitourism.com.

Once this challenge is over, we look forward to being the first stop for visitors coming to Tangipahoa Parish. Please remember to take care of yourself and your family, physically and mentally.

Stay safe, wash and sanitize your hands, be kind to one another and dream of travelling in our state again!

Your Tangi Tourism Staff
