Greetings from Tangipahoa Parish.

As you know information concerning the COVID-19 is ever-changing and affecting tourism and businesses around the state. Cancellations and closures are changing by the minute.

The staff of the Tangipahoa Parish Convention and Visitors Bureau know this is a stressful and anxious time for locals and visitors. Our mission is to always promote our beautiful parish and the wonderful people who live and work here. Our staff is always working to highlight the many positives we have in Tangipahoa Parish while providing pertinent and vital information. For this reason, we do not want our social media pages and press releases overloading your newsfeeds with constant cancellation updates.

Please use our calendar of events, http://www.tangitourism.com/Events/Community-Calendar for up-to-date information about our local events. We will post attraction closures on our Facebook Page. For all other information concerning the local COVID-19 updates, please visit https://www.tangipahoa.org/Government/emergency-preparedness/Coronavirus

We are working closely and continually with our local tourism partners for updates. During this time, we ask for your patience as we want to provide accurate and current information as it becomes available. Many of our partners are small businesses, who will be affected by the current situation, and are making decisions based on the information local and state officials are providing them.

Once this challenge is over, we look forward to seeing you in Tangipahoa Parish. Please remember to take care of you and your family physically and mentally. To take your mind off the constant deluge of information, you can always visit our website to start planning your next visit to southeast Louisiana! Tangi Tourism will be here to welcome you back when leisure travel resumes.

Stay safe, wash and sanitize your hands, be kind to one another and dream of travelling in our state again!

Your Tangi Tourism Staff
